

# Consultation Responses

- 1 The reduction of scale and mass
- 2 The expansion of the community hub
- 3 The consolidation of the community plaza provision
- 4 The internal redesign of the corner apartments of block 2
- 5 The provision of wheelchair disabled homes
- 6 The removal of the 'flying-link' over access apartments
- 7 The removal of the built form proposed within the 'western triangle'
- 8 Private courtyard and undercroft parking security considerations
- 9 The relocation of the electric substations
- 10 *Not indicated on the plan*  
The amendments of some of the architectural detailing
